

Taylor Techie
555-582-1111 taylorstechie@noemail.com
555 Storyville Ave. Pleasant Town, MA 95035

Education: **National Institute of Technology University** **Expected May 2016**
Bachelors of Science in Computer Science, 4.5/5.0
Dean's list Fall 2014, Spring 2014, Fall 2015, Spring 2015

Relevant Courses:

Software Design	Computer Networks
Computation Structures	Computer System Engineering
Database Systems	Network and Computer Security
Theory of Computation	Artificial Intelligence

Experience:

TechSocial

June 2015 – August 2015

Software Engineering Intern

TechTown

- Network security team, C++
- Strengthened their network to reduce vulnerabilities

University Department of Computer Science

August 2014 – May 2014

Teaching Assistant for Intro to Computer Science

Capville

- Led discussions and exam prep sessions

University Lab

Undergraduate Researcher

September 2013 - May 2014

Capville

- Focused on cryptography and privacy
- Looked at the relationship between these

University CAMP

May 2013 - August 2013

Camp Counselor

Capville

- Taught K-8 girls how to code in Java and introduced to basic data structures and algorithms.
- Created age appropriate and stimulating problems to get girls excited about computer science.

Skills

Advanced: C++, C, Java, Ruby on Rails

Proficient: SML, Javascript, iOS, Python

Basic: MATLAB, HTML, Haskell
